**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic. The reason I chose to utilize their services is because they are great about communication, they offer great service in comparison to other larger companies like AT&T, Comcast, Direct TV. The fiber network I utilize is amazing because of the speed at which it works. I used to have AT&T but they provided unreliable service, rude customer service, and over all terrible service in terms of the network. However, I have had quite the experience with Sonic, great customer service, fast internet service, and even better experience overall.

Sincerely,

bianca escarcega
